Steam Iron - Mini

da: Prym

Modello:
ACCPRYM-
611915

Quick crease killer! There's not much you can do about the signs of the times - creased clothing from your suitcase - or about tricky seams on patchwork quilts. Yet help is at hand in the form of the mini steam iron from Prym. The stylish hothead is ready for action in less than a minute. Small and handy, it's just the ticket for journeys and invaluable for intricate needlework. The smooth sliding, non-stick soleplate gets to the bottom of every crease. With an infinitely adjustable temperature setting from 65°C to 230°C (corresponding to ironing settings 1 to 3 dots) and a steam jet function that can be switched on when needed, it can really steamroller over textiles. At only 420 g, the little crease fighter is a real flyweight, yet with a 40 ml water reservoir,

sufficient for about ten minutes of letting-off steam, it also has great stamina. Although the ironing surface measures a compact 130 x 75 mm, the 175 cm cable length means the quick crease killer is on a long leash. Switchable to 110 volts, it delivers top performance all around the world. The cute little powerhouse is also quickly stowed away in the carrying bag provided and takes up little space wherever it is taken.

Price:
€ 39.30

(incl. VAT)

Creative Photo Fabric Cotton

da: Prym

Modello: STOPRYM611930

Paper-backed Fabric for use with inkjet Printers.
Simple & Fun to reproduce with an inkjet printer any image directly over a cut of fabric.
Works with all inkjet printers

Rotary cutter Omnicut - Love

da: Prym

Modello: ACCPRYM-610473

The Prym Love rotary cutter is a real eye-catcher and brings colour to every sewing corner. And it is effective, too. As well as the sharp blade for cutting several layers of fabric, it offers the possibility of adjusting cutting resistance to the thickness of different materials. The patented safety system is a further highlight. When pressure is exerted on it, the blade of the rotary cutter automatically slides back. If the blade is in the rest position, the guard slides into place over the blade. The ergonomic, rubberised soft grip prevents the handy rotary cutter from slipping out of your hand even with fairly heavy pressure. Perfect for patchwork, quilting and dressmaking!
45mm blade

Price: € 23.60 (incl. VAT)

Foldable cutting mat 45x60cm - Love

da: Prym

Modello: ACCPRYM-611465

This cutting mat from the Prym Love series is indispensable for any sewing accessories, since it is space-saving during storage and suitable for easy carrying. This is made possible by its folding function - the cutting mat's open format is 45 x 60 cm (A2), and folded it is 30 x 45 cm (A3) big and can also be used in this size. The even, curvy teeth of the pad halves ensure an even surface and easy-to-access opening and closing. Cutting mat is made of premium high-performance synthetic material and has a self-healing surface. The bottom part is printed with a thin non-slip layer, this makes the pad sit securely on the work surface when cutting the material. Its fresh mint colour makes it a colourful enhancement for any sewing workstation.

Price: € 51.00 (incl. VAT)

Diametre 35 cm, thickness 6 mm.

Price: € 56.00 (incl. VAT)

Rotary cutter prym.ergonomics Ø 45 mm

da: Prym

Modello: ACCPRYM-610474

The innovative prym.ergonomics rotary cutter ensures convenient, effortless and above all, safe work. Because of its ergonomic design it practically becomes an extension of your hand and allows you to guide and hold the rotary cutter intuitively. Thanks to the ergonomic shape of the handle the end of the handle fits comfortably in your hand and its soft coating lets you hold it firmly and conveniently while you guide it through the cutting process. Also in terms of safety this rotary cutter is way ahead because it is locked and unlocked simply by moving the blade guard across the slide button. So there is never any contact with the sharp edge. An audible click when the cutter is in the final position provides an additional safeguard in the locking and unlocking process. Changing the blade is equally simple - from the moment you remove the spare blade from the packaging to fitting it into the cutter, there is absolutely no contact with the sharp blade. The Allen key blade-changing tool is clamped directly into the handle. The spare blades have been specially designed for this prym.ergonomics rotary cutter as a self-contained system.

Price: € 28.10 (incl. VAT)

Standard spare blade for Prym rotary cutter - 45mm

da: Prym

Modello: ACCPRYM-610477

These standard or pinking spare blades with a diameter of 45 mm have been specially designed for the prym ergonomics rotary cutter, and with regard to shape and function form a perfectly coordinated system. Although the blades are extremely sharp, they can be changed with ease, because, right from the moment you remove them from the packaging up until you fit them to the rotary cutter, the blades are safely protected. A high-quality plastic protective cover allows you to change the blade safely without directly touching the blade. When the rotary cutter is not in use, the blade guard ensures that the cutter can be safely locked.

Dimensions: 45mm

Price: € 10.70 (incl. VAT)
