Desktop stand M3-DW

da: Your Small Room

Modello: ACCYSR-M3-DW

Much more than a useful tool, a real piece of furniture. Completely handmade in Europe, this holder is made of solid wood and features a particular system with shock absorbers to adjust the height of its arm, allowing to place the hoop frame in the most convenient position for one's stitching and with a simple touch. Ideal for small and medium round hoops and rectangular frames. Its artisanal realization, its excellent design and the elegance of wood make this hoop table holder as pleasant as a real home decor piece, perfect to simply stay on your table, even when you're not stitching.
