Floss Drops - Floss Eggs

da: CasaCenina

Modello: KITCCEN-ISE822

A best-seller in the US, here are the egg-shaped floss eggs (also known as Thread Drops), to easily keep all your thread strands on a single metal ring (NOT INCLUDED). They are made with durable plastic and can thus be labeled with floss number stickers or simply customized by writing the floss number on each of them and then re-writing it for a new stitching project. The packaging contains 20 reusable floss eggs. Made in the USA by "It's Sew Emma"
