

## Square Quilting Ruler 12-1/2

da: The Grace Company

Modello: ACCTCUT-TC125SQ

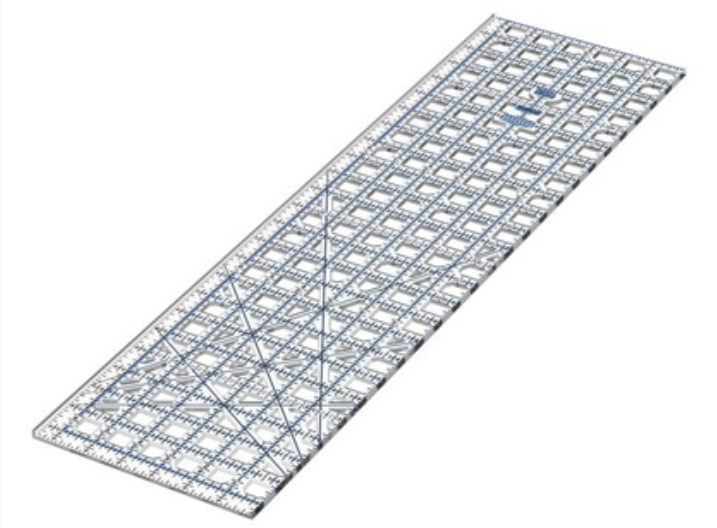

### Square Quilting Ruler 12-1/2 inch

A ruler with built-in spaces for marking your fabric directly through the ruler. Labeled 1/4 and 3/4 inch marks for easy measurements, it is ideal for precise measurements and squaring up blocks of fabric. It is also great for various shapes such as triangles and stars. The built-in guide-track on one side will allow precise cuts with the complimentary Grace Company cutters. We recommend to use these rulers with the other Grace Company cutters (see related products).
