

Layer Perfect - Metric

da: Stix2

Modello: ACCSTIX-S57321

The Layer Perfect has steel reinforced edges, is made from clear acrylic for ease when measuring and positioning. It works with all shapes and sizes and you can even layer 3D projects. Perfect for:

- Matting and layering
- Drawing circles and curves
- Positioning gems, buttons, brads and pearls
- Using the holes to pierce through and create faux stitching

As well as drawing circles and curves, layering and matting, it's great for creating stitching and precise positioning for gems, pearls etc..

230mm x 230mm x 4mm

Expected restocking from Friday 30 September, 2022.
