Addi™ Express Knitting Machine

da: Gustav Selter

Modello: ACCTC-7990

With the Addi™ Express Professional Knitting Machine you can easily and quickly knit some circular tubulars. You just have to turn the handle!! Even a beginner can quickly learn and discover how fun it is to make scarfs, patchwork dresses, leggings, sleeves etc.

Addi-Express can be fixed to the table with the given clamps as to make the work more comfortable.

Sizes: 22 needles

Circular tool: Ø from 10 cm. to 15 cm.

Open tool: width from 15 cm. to 20 cm.

Note: you can fix the ideal width of your work with Addi-Stopper (see related products).

In the pack we include a CD with the instructions and some utilisation examples in English, French and German, besides the Italian guide.

Price: € 97.95 (incl. VAT)

Addi-Stopper

da: Gustav Selter

Modello: ACCTC-7899-200

Addi-Stopper allows you to easily hold the fabric. Use it with Addi-Express or Addi-Express KingSize (see related products) as to define the ideal width of your work. Made in high quality plastic and really easy to use.

Price: € 11.38 (incl. VAT)
