Christmas Mailing

Niky says: "a hanging 'pocket' that will come really useful to hold all the envelopes and cards we receive during Christmastime. You'll get surely get a lot too, and personally I like to collect it.. no better way than this nice letter-pocket to hang at your door? The stripe on the bottom reminds me of ancient *Punto Assisi* used for our grandmother's tablecloths.. and that's precisely where I got the idea for this nice border!"
