

Vusion Craft Light and Magnifier - Silver

da: Mighty Bright Lighting

Modello: ACCHOF18-2292

The Vusion Craft Light offers both flexible magnification and illumination with its dual gooseneck design. The lighted head holds 2 bright white LEDs rated for 100,000 hours, with precisely engineered optical grade lenses to distribute light evenly and with two brightness settings. The 2" diameter 2x magnifier is on the other flexible gooseneck. The sturdy padded clip allows for traditional clip-mounting and is compatible with Q-Snap, and the magnetic base allows the Vusion to be mounted onto any metal surface. Powered by 3 AAA batteries (included) with a battery life of 40 hours. Also compatible with Mighty Bright AC adapters (sold separately).
IDEAL FOR: crafting, and projects with difficult angles.
