Noah's Ark Sampler - Large

A vibrant cross-stitch artwork titled "NOAH'S ARK". The scene is framed by a decorative, repeating geometric border. At the top, a banner with the words "NOAH'S ARK" in capital letters is set against a background of stylized clouds. Below the banner, a variety of animals are depicted in a lush, garden-like setting. In the center, Noah's Ark is shown as a two-story building with a red roof and a small bridge leading to it. Several figures, including Noah and other people, are visible on the ark and on the shore. Surrounding the ark are numerous animals: giraffes, lions, zebras, elephants, and various birds like flamingos, ostriches, and penguins. The background is filled with stylized trees, flowers, and a winding path. The entire piece is rendered in a traditional cross-stitch style with a rich color palette.
